FAQ

Q: ?????????checking for oci.h... configure: error: I'm too dumb to figure out where the include dir is in your Instant Client install

Ans: ???????? --with-oci8, --with-pdo-oci ??????????

Q: ?????????make: *** [ext/ldap/ldap.lo] Error 1?

Ans: ??? Oracle Instant Client 10.2.0.4?

Q: ?????????configure: error: pcntl: fork() not supported by this platform?

Ans: ?? export LD_LIBRARY_PATH=/usr/lib/oracle/10.2.0.4/client/lib

Q: ?????????

configure: error:

You've configured extension pdo_oci, which depends on extension pdo, but you've either not enabled pdo, or have disabled it.

Ans: ?????? --disable-pdo

Q: ????????? Installed (but unpackaged) file(s) found: /usr/lib/php/modules/pdo_oci.so

Ans:
