

A2Billing ????

Issue: ?? CallPlan RateCard Customer ????????????????

[file:Class.A2Billing.php - line:1017 -
 uniqueid:1336550668.1]:[CallerID:7008374947]:[CN:7008374947]:[ERROR ::> RateEngine didnt
 succeed to match the dialed number over the ratecard (Please check : id the ratecard is well
 create ; if the removeInter_Prefix is set according to your prefix in the ratecard ; if you hooked
 the ratecard to the Call Plan)]

Solution?

1. ????? Rate ?? Customer ?????????????????? Customer ??? Customer ????? CONFIRM DATA ???
2. ?? Rates > RateCards > EXPIRY DATE ?????

Issue: ?? Customer ??????: **Your new Card hasn't been inserted.**

Solution: ???????

1. ?? /etc/a2billing.conf ? DB ????????
2. ?? DB ??????????????
 mysql_fix_privilege_tables --password=<DB root's password>
3. ?????? /etc/my.cnf
 [mysqld]
 ...
 thread_stack=256K <==????

 ?? MySQL ??
